Any cheques £1000 to pay to BRC in June.

We discussed how that some members had raised a concern to Janet that sometimes cheques took a long time to be banked.

How could we solve this? Is there a possibility that we could have another paying in book?

Paypal is not as it as it seems- Andrea taken a lot of time doing already. Is there a possibility we could pay someone to do this?

Andrea to look at finding a professional to set paypal up for us, we are aware as a committee that this will incur a cost and we agreed that it would be worth it,.

Membership Report

57 members now, but increased from 43 at last meeting.

Janet phoned some of our regulars and some have renewed and others haven't.

Janet is not going to chase anyone else and we all agreed that this was ok.

Janet will send out an up to date list.

Kate will send an up to date membership e-mail list to Andrea.

Liz asked why we stay affiliated which costs £1000- what are we actually paying it for?

Instructors have there own insurance.

Clinics we do not need to be affiliated for.

We discussed what venues would need it?
